MP Comparison

Visible Minority and Not VisMin

Median age of VisMin MPs 48 compared to 52 for all MPs

Conservative Values

• "New Canadians are naturally conservative in the way they live their lives: they are entrepreneurial; they have a remarkable work ethic; they are ... [an] aspirational class; they want stability; they are intolerant of crime and disorder; they have a profound devotion to family and tradition, including institutions of faith. That whole spectrum of values is conservative ...

Former Minister Jason Kenney, 16 June 2010

'Big Shift' - Not so fast

- Outreach 'showing up' not enough
- Policies matter: citizenship and immigration restrictions
- Wedge politics weaker than broader values
- Overall campaign message vs boutique politics

Conclusion

- All parties compete for ethnic votes
- Greater efforts to recruit visible minorities
- Visible minorities well-represented
- But variance among different groups
- Limits to identity/wedge politics
